"Deciding to rent from Lehman Property Management was by far one of my better judgement calls. They are not only quick and efficient, but they were ready and willing to work with the fall backs I had."

"Glenn was really helpful and went out of his way to help me and my family and I was excited to work with him and his family. He seemed very family oriented and looked into what my family needs were."

"I really enjoy renting from Lehman Property Management! I find that they are very approachable about whatever issues I may be having with the property. They are always friendly and quick to address issues as they arise. I know that anything that comes up will be handled and I don't have to worry about it. I myself would definately rent another property from them and recommend them to my friends and family. They are by far the finest realtors that I have ever rented from. "

"Searching for apartments and houses with Brittany was a nice experience, she really paid attention to what I wanted and didn't try to convince me to get something I couldn't afford."

"All the staff is very friendly and easy to work with."
